Dear Brothers and Sisters in Christ,

One of my favorite times of the year is here. The sky is blue with puffy clouds, the corn is tasseling, wheat fields are being harvested and the grass is beautifully green. I love BBQ outside and the smell of baking bread in the brick oven and the sharing of a meal with friends.

Jesus and his disciples also shared a meal of bread and fish with 5000 people one afternoon. I was trying to imagine what this was like or what it looked like. I can't imagine how the disciples reacted or what they were thinking at the end of the day while they were picking up 12 baskets of bread and fish. Stunned, wow, incredible are a few words that come to mind. This last month we shared an outdoor worship service and coffee afterwards, and there were plenty of leftovers and many baskets of good memories from the event were filled. Thank you to all who helped with the outdoor worship service and parish fellowship afterwards. I don't believe one person left not feeling well-fed and satisfied from the gathering.

Gathering each week this summer has been a joy as we have come together for worship. August is here and so we remember what we did this summer and start to prepare for what is going to become next in the season of life. We are thinking of school starting, closing up the cabin, getting one last day of fishing in, and maybe one more round of golf. The church is moving into a new life of preparing for what is next as the survey work for the congregations comes to a close and the writing of the Ministry Site Profile begins.

Thank you for your work together as a parish on hearing God's call for you here in this place. It is with confidence through the hard work you all did for preparing for where God is calling you and God has been with you during this time. We give thanks for God's guidance in helping answer your call during this time of transition, just as the month of August is the month of wrapping up summer and getting ready for the fall in this time of parish transition. I look forward to seeing where God leads you.

Thank you for your faithfulness and participation in God's ministry. The words of Paul come to mind as he spoke of his friends in Thessalonica, "We always thank God for all of you, making mention of you in our prayers and continually recalling before our God and Father your work of faith, your labor of love and your enduring hope in our Lord Jesus Christ.." IThess. 1:2-3.

Blessings to you always,

Pr. Kris D. H. Ferkin
